Team and contact sports remain prohibited until 21 June.	<a href="#">StopCovid</a> -contact tracing -Android, iOS -in use  <a href="#">CNIL opinion</a>
<a href="#">GERMANY</a>	-On 6 May, the federal government and the states have agreed on further opening steps. -As of 11 May: all stores, including shopping mall, can open regardless of the sales area. All these liberalizations can however be immediately rewound and replaced at regional level by severe	Schools reopen on 4 May. Emergency care for daycare children is to be gradually expanded from 11 May.	Masks are mandatory in shops and public transport in all federal states. <a href="#">More information</a> The most important rule in all areas is to keep a minimum distance of 1.5 meters from other people. Stores have to continue to observe strict hygienic rules, such as conducting entrance controls, the mandatory	As of 11 May: Outdoor and outdoor sports are allowed. Games in the first and second federal soccer leagues can take place without spectators from the second half of May. In most states, sports facilities are reopening around end of May / mid June.	<a href="#">Ito</a> -contact tracing -Android -APK file released  <a href="#">OHIOH Framework</a> -contact tracing, scientific research

	restrictions again → <a href="#">more information about the different rules in the Federal states</a>		wearing of community masks, avoidance of queues. A maximum number of persons (customers and staff) must be specified. Companies are obliged to develop and implement a hygiene concept based on the current risk assessment and company pandemic planning: -avoid unnecessary contacts within the workforce and with customers, -adhere to general hygiene measures and to minimize the risk of infection in the event of necessary contacts through special hygiene and protective measures. -allow homeworking wherever this is feasible.		-Android, OS -APK file released
<a href="#">GREECE</a>	-4 May: Small retail shops can open. -11 May: all shops except those in shopping malls reopened -18 May: malls and shopping centres allowed to reopen (instead of 1 <sup>st</sup> as initially scheduled). <a href="#">More information</a>	First schools reopen on 11 May. Primary and kindergarten schools reopen on 1 <sup>st</sup> June.	Masks mandatory on public transport and in closed public spaces (including for staff and customers). Opening of shops: at 10 a.m. and an opening times extension will be provided on a case by case basis. Social distancing for shops: -20 m <sup>2</sup> - 4 people -20-100 m <sup>2</sup> : 4 people +1 person per 10 m <sup>2</sup> -100+ m <sup>2</sup> : 12 people +1 person per 10 m <sup>2</sup> -malls: 1 person per 20 m <sup>2</sup> In shops with more than one storey, up to one person per 10 m <sup>2</sup> per storey are allowed. 1.5-metre distance between people in shops and the use of face masks by staff and customers is strongly recommended, as well as avoiding use of lifts which are permitted to reach only 40 pct capacity. If there are escalators, lifts can be used only by the disabled, elderly or to supply the store.	Personal sports will be allowed as of 4 May. Beg June: sports venues (gyms...) should reopen	<a href="#">DOCANDU Covid Checker</a> -self diagnostic, information and 24/7 online doctor -Android, Web-based / Web-site Widget -in use
<a href="#">HUNGARY</a>	In the countryside, all shops allowed to reopen as of 4 May. →Exit restrictions abolished from 4 May (except in Budapest and Pest). Restrictions in Pest abolished on 14 May and in Budapest on 17 May. All shops can be visited as of 18 May.	Universities and colleges can re-open again on 4 May. Nurseries and kindergartens reopen on 2 June.	1.5 meters from others in public. Mouth and nose covering mandatory in public transport and shops. Shops: Site operators shall ensure that the conditions necessary to maintain the safety distance are maintained	Sports events can be held indoors without spectators, and participation in training organized by a sports association and for amateur sports, recreational sports and mass sports is permitted	<a href="#">VirusRadar</a> -contact tracing -Android, iOS -In use

<p><b><u>IRELAND</u></b></p>	<p>-As of 18 May (phase 1): Shops that are primarily outdoor can re-open so long as social distancing measures can be put in place. Shops that were previously open in Tier 2 (for example: homeware, bicycle and repair, office products...) can open.  <a href="#">NSAI publish COVID guide for the retail sector</a></p> <p>-As of 8 June (phase 2): Small retail outlets can reopen with a small number of staff on the basis that the retailer can control the number of individuals that staff and customers interact with at any one time.</p> <p>-As of 29 June (phase 3): The opening of all other non-essential retail outlets will be phased in on the basis of a restriction on the number of staff and customers per square metre so that social distancing can be maintained. This is to be limited to retail outlets with a street-level entrance and exit and does not include those in enclosed shopping centres.</p> <p>-As of 20 July (phase 4): Restrictions can be gradually eased on higher risk services involving direct physical contact for periods of time between people and for which there is a population wide demand (for example, hairdressers).</p> <p>-As of 10 August (phase 5): Enclosed shopping centres can re-open, with social distancing in place.</p> <p><a href="#">More information</a></p>	<p>-As of 18 May: Childcare workers will provide care for the children of essential healthcare workers in the healthcare worker's home. School and college buildings will be opened for access by teachers for organisation and distribution of remote learning.</p> <p>-29 June: Childcare for essential workers. The opening of crèches, childminders and pre-schools for children of essential workers will take place in a phased manner.</p> <p>-20 July: Crèches, childminders and preschools will open for children of all workers on a gradually increasing phased basis (for example, one day per week) and slowly increasing thereafter</p> <p>-10 August: Opening of schools and colleges.</p>	<p>-Phase 1 (18 May):                  Mask-wearing mandatory. Up to 4 people who don't live together can meet outdoors while keeping at least 2 metres apart.                  Work: A phased return of outdoor workers will be allowed. Social distancing requirements continue to apply. Remote working is to continue for all workers or businesses that can currently do so.</p> <p>-Phase 2 &amp; 3 (8 &amp; 29 June):                  Work : People who can work safely while maintaining a 2-metre distance from others workers, like those who work on their own, as well as other workers who can keep a 2 metre distance from others can return to work. Social distancing requirements continue to apply.</p> <p>-Phase 4 (20 July): Employees who cannot work remotely are to be considered first for a return to onsite working. Depending on the business, measures such as shift work and staggered hours should be implemented to increase the numbers of workers available for work in any 24-hour period, as long as the business can limit the number of workers interacting with each other. Remote working continues for all workers or businesses that can do so.</p>	<p>-Phase 1 (18 May): Public sport amenities can be opened where social distancing can be maintained. People can exercise - either on their own or in a group of no more than 4 people - where social distancing can be maintained and where there is no contact with other people.</p> <p>-Phase 2 (8 June): People can take part in outdoor sporting and fitness activities, involving team sports training in small groups (but not matches) where social distancing can be maintained and where there is no contact.</p> <p>-Phase 3 (29 June): Playgrounds will be allowed to re-open where social distancing and hygiene can be maintained. Sporting activities and events can resume “behind closed doors”, where arrangements are in place to enable participants to maintain social distancing.</p> <p>-Phase 4 (20 July): Competitions for sports teams (for example, soccer and GAA) can resume, but only where limitations are placed on the numbers of spectators and where social distancing can be maintained. Public swimming pools can be opened where effective cleaning can be carried out and social distancing can be maintained.</p> <p>-Phase 5 (10 August): Close physical contact sports, such as rugby and boxing, can resume. Gyms, dance studios and sports clubs can re-open, only where regular and effective cleaning can be carried out and social distancing can be maintained. Spectators can begin to attend live sporting events only in accordance with both indoor and outdoor number restrictions and where social distancing can be complied with.</p>	<p>Contact tracing app under development</p>
<p><b><u>ITALY</u></b></p>	<p>-4 May: some sectors gradually resume economic activity. Regions have some autonomy about the opening (Alto Adige and Sardinia opened on May 11).                  - 18 May: shops opening at national level  <a href="#">More information about the different regional decrees in place</a></p>	<p>Closed until September</p>	<p>Mask-wearing mandatory in shops and public transport.                  Companies open as of 4 May:                  -specific safety measures (mask and gloves, temperature measurement for all the employees, plexiglass or glass divisors..). Lombardia makes temperature checks compulsory for the employees in all the workplaces (productive activities,</p>	<p>From 4 May, athletes can train in the sport centers                  From 18 May, outdoor sports and individual sports both indoor and outdoor are allowed                  From 25 May, sports club, swimming pool and sport centers are opened for all                  Contact sports are not allowed                  1 mt distance for outdoor sports and 2mt for indoor</p>	<p><a href="#">Immuni</a>                  -contact tracing, self diagnostic                  -Android, iOS   <a href="#">SM Covid19</a>                  -contact tracing                  -Android                  -in use</p>

			<p>offices, shops, activities open to public,...).  <a href="#">More information</a>                      -Smart working keeps on being strongly recommended.                      -The masks and the gloves need to be recycled as “hazardous waste”.                      For shops:                      -Anti virus masks for employees and customers                      -Single use gloves for clients to touch clothes                      -Entrance with fixed number of people in the shops: for 40sqm 2 employees and 1 client (about 12 sqm per client)                      -biocide and disinfectant for hands at the entrance                      -Temperature checks at the entrance are strongly suggested (compulsory in Lombardia for employees and strongly suggested for clients and suppliers that enter the workplace.)                      -Sanitization of the shops (no obligation for sanitizing the clothes. Most of the shops do it with ozone or vapor)                      -Dividing glass at the cashier desk</p>	<p>In sports club/swimming pool 7sqm each person                      Entrance with fixed-numbers                      Sanitization of spaces and equipment after each use                      Changing rooms with distance guaranteed and single-use bags to put clothes and personal things in the lockers</p>	
<a href="#">LATVIA</a>	<p>-On 7 May: emergency situation prolonged until 9 June, but also gradual cancellation or easing of certain restrictions (education, sports, various events and gatherings, transportation, and tourism.)                      -As of 12 May: all shopping centres can operate without restrictions (all stores will be open in shopping centres during weekends and holidays).</p>	<p>Closed until 12 May except for children who have parents working.                      As of 12 May: In the area of education, all types of learning processes will continue to take place remotely; children’s camps will currently not be organized. Considering the provisions of epidemiological safety, pre-schools, together with local governments, will have to decide how to organize learning of 5- and 6-year-old children - in person or remotely.</p>	<p>No more than one customer per 4m2 of the sales area. To prevent crowding, the merchant must ensure physical (social) distancing of 2 meters between the shoppers at the entrance.                      In addition, the merchants are also urged to enable, as much as possible, the shoppers to observe the 2m distance in car parking areas</p>	<p>As of 12 May: indoor and outdoor gatherings of up to 25 persons are allowed. <a href="#">More information regarding other rules</a></p>	<p><a href="#">Apturi Covid</a>                      -contact tracing                      -Android, iOS                      -in use</p>
<a href="#">LITHUANIA</a>	<p>-15 April: only shops with direct access from the street.                      -27 April: Shopping malls and supermarkets are open (stores are no longer required to have an entrance from the outside)</p>	<p>As of 18 May, kindergartens, preschool groups, primary schools and non-formal education of children will reopen. As of 25 May, colleges, universities that are not able to offer studies remotely will be allowed to resume work. AS of 30 May, basic and secondary education will be allowed to resume in schools.</p>	<p>Masks-wearing mandatory in transport and indoor public areas. Groups of up to 5 people will be allowed to gather in public spaces.</p>	<p>As of 18 May, restrictions will relax for outdoor leisure activities, providing for at least 5 m2 of space (previously 10) per person and the distance of at least 2 m (previously 10) between people and/or groups of people.                      More lenient requirements have been offered for sports clubs. In all cases, an area of 5 m2 instead of 10 as before will have to be ensured per person, and a distance of at least 2 meters</p>	<p>The Lithuanian State Data Protection Inspectorate <a href="#">ordered</a> a halt to the country's contact tracing app due to data</p>

				between groups of people instead of the previous 10 meters. <a href="#">More information</a>	processing concerns
<a href="#">LUXEMBOURG</a>	11 May: opening of shops ( <a href="#">exceptions listed article 3</a> ) <a href="#">More information</a>	Schools are reopening in three phases (secondary schools: 4 and 11 May; primary schools: 25 May), but all physical education classes will be cancelled until the end of the school year	Masks mandatory in all situations where the safety distance of two meters cannot be guaranteed.	Contact sports will not be allowed, but outdoor sporting activities with no contact will resume on 11 May (e.g. tennis, golf, and horse riding) except swimming pools. Playground remain closed, but it will be possible for up to 20 people to meet outside from 11 May. <a href="#">More information</a>	
<a href="#">MALTA</a>	Non-essential shops, including clothes and sport shops, allowed to reopen since 4 May.	Closed until September.	Mask-wearing mandatory in public transport and for Everyone who enters the store. Stores must have hand sanitizers outside their outlet and include clearly marked two-metre lines for people to maintain social distancing while queuing. Every shop must work out their interior area and allow one client to enter for every ten square metres. Shops must declare the maximum number of clients allowed outside their outlets. Shop owners will have a right to refuse entry to people who look sick. People who enter shopping malls will have their temperature checked and malls will limit the number of people who can enter at any given moment depending on the capacity of their stores. People won't be allowed to enter changing rooms at clothing stores.		Contact tracing app under discussion
<a href="#">NETHERLANDS</a>	Only shops that cannot guarantee their clients and staff that they can keep 6 feet distance from each other, are closed until further notice, but at least until 20 May.	Primary schools and childcare day centres will reopen on 11 May (half time). Secondary schools will reopen on 1 <sup>st</sup> June. Primary schools and out-of-school care will reopen fully on 8 June	Always stay 1.5 metres away from others. Business organisations and the ministry of Economic Affairs and Climate Policy have made arrangements that apply to retail activities. These commitments are based on the guidelines drawn up by the National Institute for Public Health and the Environment (RIVM) and are laid down in the <a href="#">Protocol for responsible shopping</a> Shopkeeper are responsible for the safety in their store and for their customers to comply with the rules. In case of emergency they can ask for police assistance, as they would in case of shoplifting. <ul style="list-style-type: none"> <li>Ensure maximum hygiene, especially of and around the pin device</li> </ul>	Outdoor sports in groups are allowed for all ages from 11 May, if 1.5 meters can be kept apart. No competitions, no shared changing rooms or showers. Sports and fitness clubs and indoor sports will remain closed until 1 September (except for top sport). Sports competitions are again possible from 1 September, but without an audience. Indoor pools may open again from 11 May. From April 29, the outdoor pools were open again, only for youth. From 1 September: all sports are allowed again, including contact sports such as football and professional football matches. This will probably be without an audience.	<a href="#">PrivateTracer</a> -contact tracing -Android, iOS

			<ul style="list-style-type: none"> <li>• Employees who have symptoms of a cold must stay at home</li> <li>• Rules for customers and personnel are displayed outside the store as well as inside.</li> <li>• You must ensure everyone can maintain 1.5 metres distance inside and in front of your store.</li> <li>• make clear how many clients are allowed inside at the same time. The ground rule is at most 1 customer per 10 square metres floor area. You can refuse entry.</li> <li>• Deliver online orders to the front door, not inside</li> <li>• Remove samples, tastings, testers etc. from you store</li> <li>• Customers must use shopping carts if you have these</li> </ul> <p>Mask-wearing mandatory in public transport. <a href="#">More information</a></p>		
<a href="#">POLAND</a>	Shops are open with a restricted number of customers (see next column) from 20 April until rescinded. Shopping facilities with a sales area of over 2,000 m <sup>2</sup> - i.e. shopping centers, large-format stores – are open as of 4 May with a limit of people (see next column).	Nurseries and kindergartens reopen from 6 May. Schools will remain closed until 24 May. As of 25 May: it will be possible to conduct care and education classes in grades 1-3 of primary school.	Mask-wearing mandatory in public. <a href="#">More information on mask-wearing</a> 2 meters away from others in public spaces. Work remotely whenever possible. Strictly follow sanitary rules in places where there are a lot of people. -For stores with a service area of less than 100 m <sup>2</sup> : 4 people for one cash desk. So, if there are 2 cash desks in a store, there can be 8 customers in the store at once. For stores with a service area larger than 100 m <sup>2</sup> : 1 person per 15 m <sup>2</sup> of the area. For example, if the area of a store is 300 m <sup>2</sup> , there can be 20 clients inside at once. -For shopping facilities with a sales area over 2,000 m <sup>2</sup> : There must be 15 m <sup>2</sup> of retail space per person. Importantly - the sales area does not include the area of corridors. <a href="#">Guidelines</a>	As of 18 May: the limits of people who can exercise at open sports facilities will be raised. A maximum of 14 people (plus 2 trainers) will be allowed to stay at stadiums, pitches, jumps, tracks, orliks, skate parks. A maximum of 22 people (plus 4 coaches) will be allowed on open full-size football fields. The possibility of organizing classes in closed facilities will also be introduced. 12-32 people (plus trainers) will be able to exercise at the same time in sports halls and halls, depending on the size of the hall. As of 18, the organization of classes in closed facilities. <a href="#">More information</a> <a href="#">More information</a>	<a href="#">ProteGO</a> -contact tracing -Android, iOS -in use
<a href="#">PORTUGAL</a>	-4 May: small shops open. -18 May: Shops up to 400 m <sup>2</sup> -30 May: largest stores and shops in malls can reopen.	18 May: Schools will open for students in the final two years of secondary education. 30 May: other schools	Mask-wearing mandatory in public	Exercise outdoors has always been permitted under lockdown, for a limit of one hour at a time. Outdoor classes with a max of 5 participants are allowed. All individual sports are now allowed, respecting health rules. Swimming pools,	Contact tracing app under discussion

				gymnasiums and indoor classes remain closed until the end of May. 30 May: Competition in Portugal's top soccer league resumes	
<a href="#">ROMANIA</a>	15 May→state of alert for at least 30 days. From 15 May: Small shops are open. Retail activities of products and services in the shopping centers where several economic operators operate may be suspended, with the consent of CNSSU. The measure provided does not apply in the case of small shopping centers, of less than 15,000 sqm, with individual shops within the premises of less than 500 m2 each. <a href="#">More information</a>	Closed until September.	Mask-wearing mandatory in closed public spaces, commercial spaces and public transport. Economic operators and professionals: have to ensure, upon mandatory entry, the epidemiological triage and mandatory disinfection of hands, both for their own staff and for visitors. For its own staff, the epidemiological triage consists in measuring the temperature by noncontact thermometer, and for the visitors the triage is performed by measuring the temperature. For shops: the personnel has the obligation to permanently wear a mask that will be changed at an interval of maximum 4 hours, and the economic operator will provide masks for them, as well as hand disinfection solutions in the access area to the premises . Wearing protective masks by the customer and compliance with the rules of distance to cash registers are mandatory. <a href="#">More information</a>	As of 15 May: Outdoor sports allowed but in groups no larger than three persons. Professional athletes can train in groups under special conditions. However, this restriction will be waived for professional athletes, who will be able to train in groups, under special conditions.	
<a href="#">SLOVAKIA</a>	-20 April: Shops and operation of services up to 300 m2 area are allowed to open. -20 May: shopping centres are fully open (except for children's corners with restrictions on individual shops). BUT shops remain closed on Sunday (sanitary day)  → <a href="#">new decree</a> adopted on 19 May	1 <sup>st</sup> June: schools and kindergartens will be open. Return to educational facilities will be voluntary	Face masks mandatory in public. For shops: -entry only with drape or similar protection -the operation must ensure the disinfection of hands or protective gloves, ideally both -when waiting in line, a spacing of at least 2 meters must be observed, -room ventilation -the number of persons in operation is limited to one person per 15 square meters of area of operation -sanitation	From 22 April sports grounds reopened for non-contact sports (food/drinks are not allowed, changerooms are closed). 20 May: Indoor swimming pools and sports grounds can only be opened for sports clubs. Outdoor sports grounds will be able to function regardless of the type of sport, but without the use of changing rooms and the presence of the audience, toilets will be accessible. 1 <sup>st</sup> June: School clubs will be able to open	<a href="#">Zostaň Zdravý</a> -contact tracing -Android -in use
<a href="#">SLOVENIA</a>	-20 April: Most shops and businesses not requiring physical contact reopened	From 18 May: Schools and kindergartens will gradually start reopening. <a href="#">More information</a>	Face masks are mandatory in indoor public spaces.	From 4 May, all outdoor activities/exercises/sports are allowed with 2-metre distance from others. Professional non-contact sport as well as individual training for all	

	<p>-4 May: stores up to 400 m2 of retail space are open (this does not apply to those in shopping malls, unless the store in the shopping center has its own entrance).</p> <p>-18 May: all shops, including big shopping malls</p>		<p>Clothing stores will, among other things, need to ensure disinfection and effective ventilation of the booths after each use.</p>	<p>team sports are also permitted. On 6 May, the Government adopted an Ordinance on the Temporary Conditions for Playing Sport, which allows adapted training to take place and competitions to proceed without spectators and only participants who are necessary to carry out the matches.</p> <p>23 May: Exercise will be able to take place for everyone in both indoor and outdoor sports facilities and outdoor sports areas, as well as in school gyms. Gyms will also reopen.</p>	
<a href="#">SPAIN</a>	<p>-Phase 1 (11 May): shops in areas in Phase 1 can open if their sale area is equal to or less than 400 m2, but with a capacity of 30% and with a priority service schedule for over 65 years of age and security measures. Stores located in malls can't open except if they have direct and independent access from the street.</p> <p>-Phase 2 (25 May): Shopping centers (not common areas), capacity 40%, safety distance 2m, preferential hours for people over 65 years, safety and hygiene protocols.</p> <p>-Phase 3 (8 June): ban on the use of common areas and recreational areas of shopping centers is lifted, capacity 50%, safety distance 2m, safety and hygiene protocols.</p> <p>-Phase 4 (end June TBC): End of social and economic restrictions. Mobility across regions, public transport capacity will rise to 100%. <a href="#">link to evolutive map</a> where you can see in which phase are the different regions.</p> <p>On 1 June, 70% of the country was in phase 2.</p>	<p>Closed until September.</p>	<p>-Masks are handed out in public transport stations.</p> <p>-Shops: limited capacity of 30% (phase 1) or 40% (phase 2) or 50% (phase 3), safety distance of min 2 meters between clients. When not possible, only the permanence of a client will be allowed (phase 1 and 2). Establishment and equipment must be periodically disinfected and sanitized (ex: clothes tried). Stores have to provide gloves and hand sanitizer gel. Face mask is compulsory for customers.</p> <p><a href="#">Official guide for shops reopening</a></p> <p>-Still recommended home office where possible. In workplaces, there must be a distance of 2 meters between employees and the use of individual protection equipment is obligatory when this not possible. Entry and exit from workplaces should be staggered. Systems that identify employees by their fingerprint must not be used. Workers who need a uniform or other work clothes must wash them daily, at temperatures of between 60 and 90°C.</p> <p>-For phase 3 (8 June): "protocols for face-to-face reincorporation to companies for work activity" are contemplated, including the use of PPE suits</p>	<p>-Phase 0 (4 May): individual sport, once a day, with no contact allowed at specific hours. <a href="#">More information</a>.</p> <p>-Phase 1 (11 May): no change regarding individual sport. Start group training in LaLiga and ACB (no more than 10 players and 2m distance). Opening of high performance centers for federated athletes. Reopening of activity in sports centers by appointment. Individual practice without contact (2m distance) and by turns. Most of the gyms will remain closed and they will wait until they can offer more services or have more % of capacity. Outdoor sports facilities, may also be opened without exceeding 30% capacity and with limitations. No swimming pools. Active tourism and outdoor: Maximum 10 people.</p> <p>-Phase 2 (25 May): Outdoor sports shows and activities with limited capacity, swimming pools can open 30% capacity, safety and hygiene protocols, safety distance 2 m, not restricted timetable and possibility to change municipality</p> <p>-Phase 3 (8 June): La Liga and other sport competitions return, Sport shows with more capacity</p>	<p><a href="#">STOP COVID19</a></p> <p><a href="#">CAT</a></p> <p><a href="#">CoronaMadrid</a></p>
<a href="#">SWEDEN</a>	<p>Open</p>	<p>Open</p>	<p>Social distancing</p>	<p>Outdoor exercise allowed for all. Adult sports matches and tournaments are suspended, but training indoors and outdoors (recommended) is allowed for individuals and groups of under 50 persons.</p>	<p>COVID Symptom Tracker app (but doesn't trace contacts)</p>

<p><b><u>UNITED KINGDOM</u></b></p>	<p>-Step 1: as of 13 May, in England (Scotland, Wales &amp; NI have extended their lockdown to 28 May). Non-essential retail remains closed during Step 1 (exception: bicycle shops).                  -Step 2: as of 1 June.                  → Non-essential retail including shops selling clothes, shoes, will be expected to be able to reopen from 15 June across England if the Government’s five tests are met and they follow the COVID-19 secure guidelines, giving them three weeks to prepare.                  -Step 3: <b>should be as of 4 July</b>. Some venues which are, by design, crowded and where it may prove difficult to enact distancing may still not be able to re-open safely at this point, or may be able to open safely only in part.</p> <p>More information about <a href="#">Scotland</a>, <a href="#">Wales</a> and <a href="#">Northern Ireland</a> (and <a href="#">here</a>)</p>	<p>Closed except for children of key workers. Primary Schools: aim to be open for one month before summer holidays. Schools reopened as of step 2 (1<sup>st</sup> June)</p>	<p>Face-covering “advised” in enclosed spaces where social distancing is not always possible and they come into contact with others that they do not normally meet, for example on public transport or in some shops.</p> <p>For the foreseeable future, workers should continue to work from home rather than their normal physical workplace, wherever possible. All workers who cannot work from home should travel to work if their workplace is open.</p> <p>Shops:</p> <p><a href="#">Link to Guidance for people who work in or run shops, branches, stores or similar environments.</a> (updated 25 May): measures that shops should consider include placing a poster in their windows to demonstrate awareness of the guidance and commitment to safety measures, storing returned items for 72 hours before putting them back out on the shop floor, placing protective coverings on large items touched by the public such as beds or sofas, and frequent cleaning of objects and surfaces that are touched regularly, including self-checkouts, trolleys, coffee machines and betting terminals, for example.</p> <p>The vast majority of businesses will want to do everything possible to protect their staff and customers, but tough powers are in place to enforce action if they don’t, including fines and jail sentences of up to two years.</p> <p>From 15 June, face coverings will be required while using public transport in England</p>	<p>People may exercise outside as many times each day as they wish. But still not be able to use areas like playgrounds, outdoor gyms or ticketed outdoor leisure venues, where there is a higher risk of close contact and touching surfaces. Possible to exercise with up to one person from outside the household.</p> <p>1<sup>st</sup> June: sporting events may take place behind closed-doors. Groups of up to six people will be able to meet outdoors in England from 1 June.</p>	<p><a href="#">His COVID-19</a></p> <ul style="list-style-type: none"> <li>-contact tracing</li> <li>-Android, iOS</li> <li>- currently only works on the Isle of Wight → <b>to monitor</b></li> </ul> <p>The health minister for Northern Ireland said it was working on a separate app that could share data with the Republic of Ireland.</p>
